

## CORRIGENDUM

"Notice for Recruitment 2013'published by BMSP and uploaded on this website on dt. 05-04-2013 spells out in paragraph no.13 under heading "process of Selection' that " Candidate having higher age will be placed above in merit in case the marks obtained are equal.However, in case of those posts, where a candidate who is working in a departments of Govt. / corporations/ bodies of Govt.and willing to be appointed on deputation basis will be placed above on merit over the persons applying for contractual appointment and the candidates having the same marks on the basis of order of preference of districts entered by them" It was also mentioned in the same paragraph that for District Level Positions, ,Districts will be allotted to such candidates as per the category of the candidates and vacancy existing in the district.

However, in the Merit List of the candidates finally selected,the candidates who obtained the same marks for the posts of ARP, AA and BRP have been placed in alphabetical order inadvertently. Anomaly been noticed, the list of merit of successful candidates for the posts of ARP,AA and BRP have been revised up to that extent and district allotted afresh accordingly and uploaded on the website replacing that of the older ones.

Candidates are requested to note down the revised merit list as well as districts allotted to them and accordingly comply with the directions further notified/published on the website.
